## \$2 Million and 20 Years Old by 2007

by Ron Gornick

A new year at the CCF has arrived. It has been an exciting and fruitful year with contributions from many new and past investors. Needless to say, the investment market has affected our portfolio of investments, but there have been signs of recovery. Because of your ongoing support with investments, memorials and honorariums, the CCF is over \$1 million.

Since 1998, grants awarded total \$249,935. We can all be proud that the CCF is making a difference in our schools and community. Grant applications are now being accepted for the first cycle of 2004.

In 2007, your Foundation will celebrate 20 years. Goals are

attainable, as we have proven in the past. Once again, let us project that we will reach \$2 million by 2007! If the 2003 year-end receipts are any indication, we will do it! Please give serious thought to raising your level of investment. The CCF Board is working to make your Foundation the best we can be, but we need your help to make it all possible. Together we can do so much.

*May you enjoy a healthy & prosperous New Year!*

Ron Gornick, CCF Chairman

## The Year at a Glance

by Jim Vitali

2003 has ended and it's time to reflect on what the CCF has accomplished this past year. As a member of the Advisory Board, I'm proud to have participated in its activities. Early this spring, at the urging of the Minnesota Community Foundation, we changed from a Board of Directors to an Advisory Board and reconstructed new Governing Rules for the Board. In July, we received \$2,000 from the Class of 1953 at the occasion of their 50th Reunion to honor their deceased classmates. They challenged

other classes to do the same as their reunions arise. In August, we had another successful golf outing at the Mesaba Country Club. This is our most fruitful moneymaker and volunteers, led by Dave Simonson, worked for months preparing for the day. In October, we operated the beverage concession for the annual deer hunters banquet held in Hibbing and earned more money for the Foundation treasury. I continue to be impressed by the energy, enthusiasm and devotion our Board Members put forth toward the Foundation and its activities.

## It's Been a Great First Year!

My first year as executive secretary at the CCF has been an interesting and exciting one. It's also been a great learning experience for me. I'm much more knowledgeable about how a Foundation functions, how the grant process works and about fundraising. Ron Gornick has been an excellent teacher, along with Paul Marturano, Jim Vitali and Amy Rice. I've also learned a lot about life just listening to a few wise men in the office.

I'd like to thank the Board Members and the investors for giving me the opportunity to work at the CCF. The concept of having a Foundation in Chisholm is a great one and you, the investors, are the ones who make it all possible and who help to make our community a better place to live.

Thanks for your support!

Mary Jo Newbauer

Our people helped in many ways with school projects, the Leanna Warner tragedy, the Fire Days Parade, Field of Screams, Jamie Varichak fundraisers and Spirit of Christmas. We all get our reward seeing the number and amount of grants that have been awarded to worthwhile organizations in our community. Our total awards to-date are \$249,935. Another good thing to mention is that our investments handled by the Minnesota Community Foundation are back on track and appreciating in value. We all hope it continues to be positive.

## 8th Annual Golf Outing a Success

The Chisholm Community Foundation held its 8th Annual

Golf Outing on August 4, 2003 at the Mesaba Country Club in Hibbing.

This was our most successful tourney ever, with 140 golfers and 128 hole sponsors participating.

Funds raised during the annual

golf outing are used to offset our operating costs, ensuring that

investor dollars are kept in the endowment fund.

We'd like to thank all the people who participated in the

tournament this year and we hope to see you next year on August 2, 2004.

## 180 Attend CCF Annual Investor Meeting

The Chisholm Community Foundation's 16th Annual Investors Meeting was held at Valentin's Supper Club on July 9, 2003. Investors from as far away as California and Maryland, as well as the entire Midwest, attended the evening. The gathering was the largest and most successful ever sponsored by the CCF. Keynote speakers were Jennifer Hoffman and Jack Ryan of the Minnesota Community Foundation. Amy Rice, Treasurer of the CCF, gave the financial report. The fund balance (on July 9, 2003) was \$973,211. Grants for the first half of 2003 totaled \$34,585.75.

CCF has granted a total of \$224,767.75 over the last 5-1/2 years.

Paul Marturano reported on business payroll deductions. This plan gives employees an opportunity to be involved with the Foundation. The payroll deduction at the Range Center in Chisholm amounted to \$1,484 in the first half of 2003. To date, their contributions total \$7,734. This program is also in place at the Chisholm School District, with 16 employees presently participating. Their contributions to-date total \$2,022.50.

Re-elected to the CCF Board were Jaye Olson, Veda Ponikvar

and Tim Johnson. Officers are Ron Gornick, Chairman; Paul Marturano, Vice-Chairman; Amy Rice, Treasurer; and Alison Perry, Secretary.

Ron Gornick concluded the program with a report on the growth of the Foundation since its inception in 1987. He also commented on fundraising over the past year. The number of memorials received this past year was 441 totaling \$14,316. 193 investors have contributed \$33,928 this year. There are 963 investors from 42 states, Canada and Kabutz, Israel.

## WANTED! Corporate Partners!

Chairman Ron Gornick proposes a new challenge. "If we can acquire 12 Corporate Partners for \$1,000 each per year, all of the operating expenses of the CCF would be satisfied." (Operating expenses include rent, telephone, postage, office supplies and equipment, annual reports,

newsletters and salary for a part-time executive secretary.) Annually, the Board raises money with a golf tournament and bar service at the Minnesota Deer Hunters Association. With the addition of 12 Corporate Partners, we could say all investments would go to the principal

to be used for grants. A big thank you goes out to **Rupp Funeral Home & Cremation Service** for becoming our first Corporate Partner.

**Spirit of Christmas Gala**

Violins, flutes, trumpets and a surprise visit from St. Nicholas filled this annual affair with a true spirit of the Christmas season.

This year's holiday event was held at Valentini's Supper Club and featured a gourmet menu and the exceptional talents of the High School band students. The evening is not meant to be a fundraiser but rather a time to

enjoy community and friends.

The surprise of the evening was when the many generations of the Tiburzi family stepped forward and presented a \$9,000 donation to the Foundation from the sale of their family cookbook.

When people gather for the love of each other and the true meaning of Christmas, miracles really can happen!
