Summer, These Times, End of Six Years on the Board

Submitted by Hannah Casey Forti

As I write this Summer Newsletter, two thoughts fill my consciousness: the end of my time on the Foundation board after completing two three-year terms and COVID-19. The latter is impossible to escape these days and the former has profoundly impacted me. Thus, inevitably, I write about both here.

As a mother of young children, ages seven and four, all milestones are measured against their ages. It's hard to imagine back when I started with a one year old, Paul Marturano and Glenn Jackola "interviewed" me. At the time, I did not know much about the Foundation, but they were forgiving, as most likely they were thrilled to enlist another community volunteer to mentor. Jeannie Quirk and Mark Wangensteen, whose community commitments are endless and community impacts are significant, joined the same year as me. The next six years would be meaningful. We trudged through understanding the basics and then did what we came to the board to do: dream big for the betterment of Chisholm. We planned two city-wide waterslide events (Slide the City) as a board. We funded so many meaningful community projects, including some of my favorites: Redhead Mountain Bike Trail, Downtown Pocket Park and Art Sculptures, Kids Plus Mountain Bike Project and Frisbee Golf Course, Warming Shack for the Outdoor Ice Rink and helped with the renovation of all Chisholm playgrounds. The time passed quickly. In many ways, my work seems unfinished. Looking forward, I am excited to see the work of our current board and to hopefully serve future terms.

Perhaps I should have spoke of the negative first, but here it is: COVID-19. We are living in unprecedented times. We all have different fears, frustrations, concerns and challenges we face as we figure how we will navigate through this pandemic. Perhaps most frustrating to me, our normal trajectory of seeking new challenges and milestones has been suddenly interrupted. Life is stagnant. Our norms and expectations we once could trust are no longer that trustworthy. Life has slowed. But from the lull, we all see some positives: we have slowed down; we have reevaluated our lives and commitments and how we will put them back together when life 'returns to normal;' we are spending more time with those we most love and especially in Chisholm, we find ways to continue to support the local businesses that make our town unique. If one thing is for certain, no one knows the projectory of this storm, either its duration or its severity. However, when I think of the grit and resilience of our community, I trust that we will weather it and come out better and stronger. (Cont'd on page 5)

CCF Mission Statement

The CCF's mission is to be a steward of funds for innovative and creative projects that are responsive to community and economic development in the areas of social service, education, arts and culture, conservation and historic and environmental preservation.

Chairman of the Board Report

Greetings & Farewell!

"...together we can do so much."

It is with a sad and full heart that I am done serving my time on the CCF board. The past six years have been a wonderful experience. I have had the pleasure to serve on this board with very incredible, community-oriented people. We were able to do some pretty amazing things. Who would have thought a water slide down our main street would be such a success two years in a row?

The current board is an ambitious group who is always brainstorming to bring new events to town and will work hard to keep the CCF going strong. Jay Madigan will fill my seat as Chair and he will be a wonderful leader.

Due to the COVID-19 pandemic, our board made the difficult decision to postpone or cancel several of our events. We did not make these decisions lightly but everyone's health and safety must be our first concern. Once we can return to a "new normal", I look forward to seeing you at all our events.

Our office is closed to the public for now, but Mary Jo is checking in everyday and is working from home. If you need anything, leave a message and she will get back to you. Please be patient.

I want to thank Mary Jo for all her hard work, knowledge and years of service. Our board relies on her to keep things running smoothly. She is always willing to help and if she doesn't know the answer to something, she will find it. The CCF is very lucky to have her. Thank you, Mary Jo, from us all—current and past board members.

Jeannie Quirk, CCF Chair

To our donors and corporate partners, I must thank you for your tremendous support throughout the years. Our town has seen many projects completed because of your generosity. To-date, we have given over \$1.4 million back to our community through our granting program and have over \$2.2 million in our funds. Those are amazing numbers for our little town and our community continues to grow and benefit because of all of you.

I wish you all health in the coming year. We are all in this together.

Best regards,

Jeannie Quirk, CCF Chair

Summer, These Times, End of Six Years on the Board (cont'd)

Submitted by Hannah Casey Forti

Due to this pandemic, the Foundation has had to cancel it's biggest fundraiser of the year, our annual golf tournament. The golf tourney helps fund our annual operating expenses that makes our work possible. We could not foresee a way that we could bring that many people together safely nor could we ask our normal business sponsors to support us this year in light of all they are already facing. It will be a strange summer as almost all events like this have been canceled.

In lieu of this fundraiser, we instead invite you to take part in a simpler fundraiser. If we receive \$2,500 in donations between now and September 1, 2020, the Minnesota Community Foundation will match our \$2,500. For those who are able, we are asking you to help out. For those who are more profoundly impacted by this pandemic, we ask you to support us how you always do: talking to others about what we do and attending future events whenever they may again occur.

To make this more meaningful and fun, we are asking you to make your donation in the name of one community member, living or dead, from Chisholm that has inspired you. We will print the full list in our Fall Newsletter. I already have my person in mind.

In these strange times, we wish you health, safety and peace. We hope for all of us that we may find light and something better in this storm. We hope that in the way it impacts each of us so differently that we all grow as people, businesses and a community. We are a resilient people. We have weathered a lot of hard times here on Minnesota's Iron Range and have come out stronger. I know the same holds true here. So, stay safe, help those that you can and remember that this too shall pass.

Thank you for continuing to support our mission of making Chisholm a better place to live, work and raise families. We truly appreciate it!

Meet Our New Board Members

Rita Charter. I was born and raised as a Chisholm Bluestreak! In 1972, I graduated from Chisholm High School and earned my Bachelor's degree from Mankato State in 1976. Later, I completed a Master's degree from the College of St. Scholastica. In the course of almost 40 years, I was blessed every day to work at a job that I was passionate about – teaching. To be able to teach at the high school I graduated from was truly a gift; therefore, despite my retirement from ISD 695 in 2014, I went back to work in a classroom setting so that I could stay in touch with my students – the best energy source on the planet! I have been working part-time now for more than three years. When I am not at the cabin on Little Sturgeon, you will find me traveling, at the gym, volunteering or enjoying time with friends and family.

Jen Gigliotti. Jen moved to Chisholm in 2014 where she and her husband, Nick, started their careers as physical therapists with Big Stone Therapies in both Chisholm and Hibbing. Jen was born in Kenosha, Wisconsin and attended the University of Wisconsin-Madison for both her undergraduate and graduate degrees. In addition to working as a physical therapist, Jen is also co-owner of one of Chisholm's newest downtown businesses, 30West Fitness & Recreation, where she enjoys helping the community reach their health and fitness goals. Jen loves spending time with her family and friends, and especially loves the challenge and fun of keeping up with her two kiddos, Farrah (3) and Roman (16 months).

Meet Our New Board Members (cont'd from page 5)

Debbie Randolph. I graduated from Cherry High School in 1973. I moved to Chisholm in 1985 where I raised my two daughters, Carrie and Ashlee, who both graduated from Chisholm High School. I worked at Hibbing Taconite from 1994 to 2018 and have since been retired. We built a new home in Chisholm which keeps me busy landscaping and working in the yard. I totally enjoy spending a day on the lakes fishing and also in my spare time an occasional golf game.

Judi Scott. I am a life long resident of Chisholm. I graduated from CHS in 1972 and attended the College of St Scholastica. We have two children, both graduates of CHS and one adorable granddaughter, Tomlin. My husband Bill and I are both retired and enjoy volunteering and spending time at our cabin. For the past three years, I have been very active in the Fairview Range Volunteer Service Organization and currently serve as the fundraising chair. My working career centered around healthcare in many forms. From clinics, mental health centers and hospitals to insurance companies. I have pretty much done it all. This is my second time being on the CCF Board. I am so proud of the work that is done that I was happy to come back and help.

Travis Vake. I was born and raised as a Chisholm Bluestreak and I have lived here for my entire life. I love our city of Chisholm and I believe it is the heartbeat of the Iron Range. I graduated in 2005. I got my Associate's Degree at Mesabi Range College, my Bachelor's Degree and Master's Degree at the University of Wisconsin-Superior. I have been a teacher in Chisholm the past six years and have enjoyed working in my hometown every second of every day. I try to give back to my hometown as much as I can. I was honored to be asked to join the CCF and help provide grants to our great city. Currently I am serving on the Chisholm City Council, the Range Center Board, the Chisholm Community Foundation, and the President of the Chisholm Kiwanis Club. I am the proud Uncle of a beautiful niece and two handsome nephews, who I adore and spoil as much as I can. In my spare time I enjoy playing sports, spending as much time at the cabin as possible, refereeing high school and JUCO sports, and hunting with my dad.

The Chisholm Community Foundation has been a life saver for the Chisholm Public Schools. Over the years the Foundation has enabled the sports of the Bluestreaks to have essential equipment to continue the long legacy of the district. The Foundation recognizes the need to invest in the youth of the community. This investment is paid back by the youth either staying or returning to the community to keep the Chisholm community alive and well. The Chisholm Community Foundation is a cornerstone of helping the city and the school to continue to provide quality education and civic duty.

The Chisholm Public School Foundation is proud to announce that we awarded \$4,469.50 to the following school groups:

- 25 pairs of baseball pants for the CHS baseball team—\$500.00.
- Health studies weekly—\$164.50.
- High School Cheerleading—tumble track—\$3,805.00.

The mission of the Chisholm Public School Foundation is to accomplish the donor's charitable objectives which include aiding in the development of intellectual, vocational, physical, creative, cultural and social capabilities of students within the City of Chisholm, Minnesota or its vicinity.

The Chisholm Public School Foundation is always looking for new investors. If you are interested, please send your investment to the Chisholm Community Foundation and note that you would like your donation to go to the Chisholm Public School Foundation. There are no administrative costs associated with this fund so all of the dollars invested go directly to benefit the students.

Keyboard Liquor Holiday Wine & Cordial Tasting

Paul and Suzi Ruper, owners of the Keyboard Liquor Store, will be hosting their 13th Annual Holiday Wine & Cordial Tasting on Friday, December 4, 2020 at Valentini's Supper Club beginning at 6:00 p.m. Numerous wines and spirits will be available for you to sample. Enjoy the music of the Ivo Trio again this year. Cost for the event is \$50.00 per person.

Last year, over 90 people attended the event and sampled over 50 different wines and spirits. People were able to purchase their favorite wine or liquor and receive it in time for the holidays. Valentini's added their flair with an elegant buffet of hors d'oeuvres. Paul & Suzi donated the proceeds from the event to the CCF

(\$2,900). CCF Advisory Board Members assisted in planning and helping with the event. **Thanks so much for your support, Paul & Suzi!**
