Ron Gornick-Emeritus

Remembering Ron.....

Submitted by Mary Zahorsky

The community of Chisholm lost an icon this year. Ron Gornick passed away on January 17, 2022. Ron was an innovator and long-time Chisholm business man. His passion for the well-being of Chisholm was with him all the days of his life.

I went to church on Easter Sunday and Ron was missing from the second pew on the right where he always sat with his wife, Carole. I decided to stop at the Gornick home after church to ask Carole about Ron's involvement in the CCF. She told me that the idea of a foundation came 35 years ago when Peter & Dolly Santrach, Ron's sister and brother-in-law, attended a Chisholm All Class Reunion. While in town, they suggested that Chisholm start a community foundation. Dolly explained the ins and outs of community foundations to Ron and, thus began the Chisholm 500+ Club. What transpired from that day back in 1987 has been truly amazing.

Ron began contacting friends and alumni of Chisholm High School, far and wide. He and Carole made personal visits around the country. Carole said, "People asked what a foundation was and if this was another one of Ron's stories or another one of his hairbrained ideas!" Ron's message was simple—people should give back to the community that provided them their start in life. It seemed like a monumental task, but people who cared about the future of Chisholm began to contribute. Soon after, the name was changed to the Chisholm Community Foundation and a board of advisors was appointed. Interested citizens began meeting regularly and Ron's fervor rubbed off on them and the fund began to grow. Other towns, such as Hibbing and Virginia, asked Ron to come and talk to them about how to start up a foundation. Ron explained to them that he believed in the concept of giving back, so he "took the bull by the horns and ran with it" (which was Ron's favorite expression).

Carole went on to say that she was the first foundation "unappointed secretary". She dedicated countless hours to the CCF in the basement of the Gornick home. Carole also said, "When you believe in a mission, you can conquer it. Have an idea, run with it and it will work." Ron's perseverance and commitment through the years certainly made it work!

Mary Jo Newbauer, long-time secretary of the CCF, had this to say about Ron: "I had the honor and privilege of working with Ron the last five years he headed up the CCF. He was an amazing man. I was fortunate to have had many, many conversations with Ron over the years; some were hilarious, some were boisterous and some were heartfelt. I learned just how interesting his life was and heard about the countless experiences he had along the way. Ron also taught me a lot throughout the years, not just about the CCF, but about life as well. He loved Chisholm and his heart and soul was with the CCF. Without Ron's leadership and tireless dedication, the CCF would not be able to do what we do today – give back to his beloved community of Chisholm. I would be remiss if I didn't mention the love of his life, Carole. She was by his side, constantly supporting his dream of making Chisholm a better place to live. Rest in peace, my friend. Your spirit is alive and well in our town. You will be missed."

CCF Mission Statement

The CCF's mission is to be a steward of funds for innovative and creative projects that are responsive to community and economic development in the areas of social service, education, arts and culture, conservation and historic and environmental preservation.

Chairman of the Board Report

Greetings Fellow Investors!

“...together we can do so much.”

I have served on the Chisholm Community Foundation Advisory Board for the past three years, and I can tell you that it has been a wonderful experience! During this time, my goal has been to raise the awareness and visibility of the Foundation in our community. Our board is comprised of many incredible people who selflessly contribute their time and effort toward the betterment of Chisholm and Balkan Township.

To-date, the CCF has awarded almost \$1.7 million in grants and scholarships to many organizations and causes in and around our community. Over the last three years, the Foundation gave out \$381,706 in grants and scholarships. Considering the pandemic and all the complexities and logistical problems, I am proud of the board and all we were able to accomplish during this trying time. Supporting the Redhead Mountain Bike Park, Chisholm Food Shelf, CHS Band, Chisholm Main Street Economic Development, Chisholm Kids Plus Programs, and new scoreboards for the hockey arena and high school gymnasium, are just some of many examples of the CCF involvement in our community.

My time on the CCF Advisory Board ends in July of 2022. I would be remiss if I didn't thank our many

benefactors without whom none of this would be possible. So—thank you all for your support throughout the years! In addition, Mary Jo Newbauer (CCF Office Administrator), who works tirelessly to keep this organization on track, is an incredible advocate and asset for the Foundation.

Jay Madigan, CCF Chair

If in the future, if you want to give back to our community, please consider volunteering, serving on the CCF board or contributing financially to the CCF. By investing in the CCF, you are supporting our mission to help make our community a better place to live.

Be well, be safe, and enjoy Chisholm! Thank you!
